15. Click submit

16. You will be able to see the status of your request on your club/society dashboard, the president or treasurer of your club will then approve the payment and it will be sent to the SU treasurer for a final check before the payment is processed.

## Next steps for club/society president/treasurer approval

- 1. Click on a money request
- 2. Click on the eye button to check the receipt

A) If receipt is clear and shows an itemised list click the approve button – the request will then be forwarded automatically to the SU Treasurer where it will be processed and paid. The requester when checking will be able to see a message like the image below:

Complete (Payment imminent or Paid)

B) If the receipt is incorrect/ unclear or there is a discrepancy click refer back to requester – the person requesting money will then have to make edits eg. Take a clearer picture of the receipt.
